

Consent to Provision of Client Contact Details to the Department of Industry, Innovation & Science

The Australian Small Business Advisory Services Digital Solutions Program (the Program) is an Australian Government initiative funded by Department of Jobs and Small Business and administered by the Department of Industry, Innovation and Science.

All customer data, including personal information, collected by Western Sydney Business Centre will be provided to the Department of Jobs and Small Business and the Department of Industry, Innovation and Science and used to:

- assess the effectiveness of the services delivered by Western Sydney Business Centre
- evaluate the effectiveness the Program.

Your personal information is protected by law, including the Privacy Act 1988 (Cth) (Privacy Act) and the Australian Privacy Principles (APPs). You may be approached by a representative of the Department of Industry, Innovation and Science to complete a survey about the services you provided. Additionally, the Department of Jobs and Small Business may share ABN information with third parties, including other Commonwealth entities and state and territory governments, to ensure the proper use of ASBAS funds.
